**Please note:** PC 1054.1 uses the imperative, "shall disclose." The only place in the law where we find any choice in this matter is in Government Code 26500, which states in part:

The public prosecutor shall attend the courts, and **within his or her discretion shall initiate and conduct** on behalf of the people all prosecutions for public offenses. (emphasis added)

Obviously the public prosecutor would not violate the law, therefore I will have to interpret a failure to provide the documents requested under discovery as an exercise of the discretion provided for in GC 26500 and a decision not to prosecute this case.

This request is made on this the 8<sup>th</sup> day of January 2016.

A handwritten signature in blue ink, appearing to be "C. J. [unclear]", written in a cursive style.

**Please File Stamp and
